MEDIA RELEASE Business Port Augusta (BPA) is proud to support the initiative of Regional Development Australia (RDA) Far North in enticing singles, couples, families, young and old to come to Live, Work and Play in Port Augusta and the Far North of SA. Mark Sutton, Chair of RDA Far North said

"South Australia's Far North region is booming and urgently needs hundreds of workers for jobs in healthcare, hospitality, agriculture and more. In an innovative attempt to address this, RDA Far North launched an online campaign to entice new residents to make a fresh start in the region" Mark said. RDA

Far North has developed a digital campaign designed to be promoted across social media platforms. The campaign features first person interviews with real residents across the Far North region showcasing the abundant opportunities, whether they be looking to start a career, raise a family or launch a business, the region has plenty to offer.
